ANNUAL REPORT

In submitting the 20th Annual Report and Statement of Accounts for the year ending 31st December, 1941, the Hospital Board has pleasure in recording another successful year of work.

The Hospital is greatly indebted to the Honorary Surgeons, Physicians, and the local Medical Staff, for the services they have rendered.

The Ma'tron, Nursing, and Domestic Staff are sincerely thanked for their services, which they have carried out with efficiency.

Thanks are also accorded to the members of the Nursing Auxiliary Staff who have assisted, and also the members of the 7th Essex B.R.C.S. Men's Detachment.

Others have rendered valuable assistance by collecting regularly for the Hospital Contributory Scheme, organising and collecting for the Hospitals Day and Alexandra Rose Day Collections. As will be seen from the list of box collections included elsewhere in the report, several friends have collected substantial amounts, and to them and all who have taken boxes sincere thanks are accorded.

The outstanding event of the year was the successful Garden Fete, which was held in Joyce House grounds, by the kindness of Mr. and Mrs. G. Gray. The fete was opened by Lady Buxton, and the proceeds amounted to £323 12s. 1d. The organisers and Committee are to be congratulated on the splendid result, and are thanked for their efforts.

Owing to the National Emergency conditions, it was not found possible to hold many of the usual organised annual events, but the Board are grateful for the support which was received.

The grants received from the King Edward's Hospital Fund, the League of Mercy, Hospitals Day, and Alexandra Day, are much appreciated.

During the year, an extension has been made to the Hospital by the erection of a First Aid Post by the Ministry of Health for use by the Civil Defence in case of casualties. The extension was formally opened by Dr. W. A. Bullough on December 18th. Towards the cost of the building the Hospital Board will make a contribution of £500 from the Building and Equipment Fund to the Ministry of Health on the agreement that the building becomes the property of the Hospital after the war for use as an additional ward for the Hospital. This additional accommodation will provide eight more beds, which will enable more cases to be admitted instead of being sent to other hospitals for treatment owing to the present lack of beds.

It is with sincere regret that the Board has to record the passing of Mr. H. J. Bolton, who for many years was a member of the Board and a Vice-President. The late Mr. Bolton was a very keen supporter of the Hospital, and the request that donations should be given to the Hospital in lieu of flowers for his funeral resulted in £25 6s. being received for the Endowment Fund.

Thanks are again due to the Honorary Auditors, Mr. E. J. Carter and Mr. J. W. Wigney, for their services in auditing the accounts.

The retiring members of the Board are Miss M. Bolton, Mrs. Walsham, Lieut.-col. E. North Buxton, and Mr. W. C. Holloway, and all are eligible for election.

In conclusion, the Board regret that owing to reasons of economy it is found necessary to curtail the report and omit other details of the

work carried on during the year. It is, however, gratifying to record that the income has exceeded the expenditure in spite of the increasing cost of goods.

As will be seen from the Balance Sheet, the Board invested £500 in 3 per cent. Defence Bonds during War Weapons Week, and in addition gifts amounting to £90 were received, making a total of £590 invested in Government Securities.

It is with deep regret that we record the death of Miss Edith Bolton early in the year. Miss Bolton had for some years been a keen collector for the Hospital, as shown by the gradual increase of support in the Linen Guild. Miss M. Bolton and Mrs. Wignall have worked very hard during the year to get the record sum of £23 10s. 0d. Ninety-two useful articles were also sent in. A very grateful vote of thanks is due to the two ladies and the subscribers for their great help in this useful section of the work of the Hospital.

The articles received were: 8 dusters, 11 tea-cloths, 9 towels, 43 pillow-cases, 7 tray-cloths, 1 large table-cloth, 1 pair sheets, 2 packets paper serviettes, 3 hot-water bottle covers, 3 guest towels, 2 pillow ticks, 2 swabs.
